## SOCIETY/COPORATE DAY GOLD PACKAGE

Relax and enjoy your day as we take care of everything else. Our Club Professional will be on hand to meet and greet your society/corporate guests as they arrive. You will be shown into the clubhouse where our caterer, SEVEN HILLS RESTURANT, will provide tea, coffee and bacon sandwiches. Our Club Professional will then issue your cards and record an entry list of players while you warm up your putter on the practice green. We will ensure that your players know exactly what time they are due on the tee and send them on their way to a pleasurable round on our fantastic course. Afterwards, scorecards will be taken care of with a results list produced, thus allowing you and your group the chance to enjoy a post-golf meal in the clubhouse.

Our gold package can be tailored to your needs should you require any extras such as goodie bags or a private room for prizegiving. We can meet all your requests.

“ County Armagh Golf Club is a very much underrated golf course. I regard it as one of the best courses in Ireland. Over the last seven years, I have seen this course improve massively. Even today, in the early spring, it is in great condition. County Armagh provides a very friendly game of golf right in the heart of the city. It has to be on your list of courses to play ... and the clubhouse always serves a great pint of Guinness! ”
